

Sebastián Gallardo Díaz

PhD Student, Université Côte d'Azur

About me

I'm a Chilean PhD student living in Nice, France. My current research focus is on **optimizing newspaper production using AI and metaheuristics**. I'm working closely with *Demain un Autre Jour*, a French company and creators of a state-of-the-art newspaper production software *Melody*. **They are funding my PhD through a CIFRE contract.**

Areas of specialization

Combinatorial Optimization
• Artificial Intelligence
• Layouting • Graphs
• Algorithms

Technical Skills

Python
(Pytorch, Scikit-learn, Pandas)
C++
L^AT_EX

Languages

Spanish - Native
English - C2

DEGREES

- | | |
|------|--|
| 2023 | Master in Computer Science
UNIVERSIDAD TÉCNICA FEDERICO SANTA MARÍA · Valparaíso  |
| 2021 | Computer Science and Information Systems Engineering
UNIVERSIDAD TÉCNICA FEDERICO SANTA MARÍA · Valparaíso  |

PUBLICATIONS

- | | |
|------|---|
| 2026 | Quantifying the Cost of Manual Navigation: A Comparison of Gesture-Based Magnification versus Direct Access Reading in Digital Layout-based Documents
ACM INTERNATIONAL CONFERENCE ON INTERACTIVE MEDIA EXPERIENCES (IN REVIEW) |
| 2025 | Evolutionary Newspaper Magnification with Preserved Entry Points
ENGINEERING APPLICATIONS OF ARTIFICIAL INTELLIGENCE (IN REVIEW)
https://hal.science/hal-04210840 |
| 2022 | From Print to Online Newspapers on Small Displays: A Layout Generation Approach Aimed at Preserving Entry Points
ACM SYMPOSIUM ON DOCUMENT ENGINEERING 2022 · San José, CA 
https://dl.acm.org/doi/10.1145/3558100.3563847 |

PREPRINTS AND WORK IN PROGRESS

- | | |
|------|---|
| 2026 | Content-, Diversity-, and Novelty-Aware Article Template Selection via Graph Matching Network-Based Clustering
IN PREPARATION FOR EXPERT SYSTEMS WITH APPLICATIONS
https://inria.hal.science/hal-04801949 |
| 2026 | A Transformer-Evolutionary Hybrid Approach to Automatically Assemble Newspapers
IN PREPARATION |

INVITED TALKS & POSTERS

- | | |
|------|---|
| 2025 | Evolutionary Newspaper Magnification with Preserved Entry Points
MOURATOGLU HOTEL · Sophia Antipolis, France 
Poster presented at SophIA Summit |
| 2025 | Optimizing Newspaper Production Workflows with AI
CAMPUS MINES PARIS – PSL · Sophia Antipolis, France 
Oral Presentation as Finalist for the Prix Pierre Laffitte |
| 2025 | Magnified Newspapers vs Newspapers Magnification
PALAZZO DEI CONGRESSI · Florence, Italy 
Invited Talk at 15th International Conference of the International Society for Low Vision Research and Rehabilitation |
| 2024 | A Clustering Based Article Template Recommendation System for Newspaper Editors
CENTRO CULTURAL GABRIELA MISTRAL · Santiago, Chile 
Invited Talk at Jounées Scientifiques Inria Chile |
